Debtors' Chapter 13 Confirmation Hearing Certificate

At the next confirmation hearing in this case, the debtor intends to:

1.  Request confirmation of the debtor's plan, because all timely objections of creditors and the trustee have been resolved. I have emailed to the trustee a proposed order confirming the plan, as required in paragraph 2 of the Chapter 13 Case Management Order.
2.  Request confirmation of the debtor's plan, even though all timely objections have not been resolved. I have emailed to the trustee a proposed order confirming the plan, as required in paragraph 2 of the Chapter 13 Case Management Order. The parties are at an impasse in attempting to resolve these objections despite all reasonable efforts. The following are: (a) the parties whose timely objections have not been resolved; (b) their unresolved objections; and (c) the legal and factual issues that must be resolved by the Court in connection with confirmation:
3.  Request an adjournment of the confirmation hearing to at least \_\_\_\_\_, due to the following good cause:
4.  Dismiss the case. [The Court will construe this as a motion by the debtor to dismiss the case under Fed.Bankr.R.P. 1017(f)(2), and the Court will enter an order of dismissal and the case will be removed from the docket.]
5.  Convert the case to chapter 7. [The Court will construe this as a notice by the debtor to convert to chapter 7 under Fed.Bankr.R.P. 1017(f)(3), and the Court will enter an order of conversion to chapter 7 and the case will be removed from the docket.]
6.  Re-convert the case to chapter 7. [The case will remain on the docket and parties will have an opportunity to be heard.]
